

At home all over the world

Montaplast - a company of the STULZ-Group

Founded in Hamburg in 1947, today STULZ has a presence in over 100 countries. The STULZ-Group has STULZ subsidiaries in 14 countries, 7 production plants in Europe, the USA, India, and China and more than 90 exclusive sales and service partners on all continents. The family-owned company is managed by Albert and J?n Stulz.

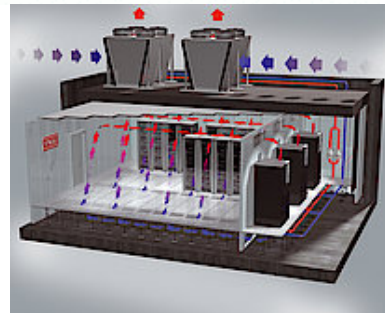

STULZ GmbH, our sister company, specializes in high precision air-conditioning systems. All over the world, air-conditioning systems made by STULZ are keeping sensitive information and communication technology cool. In data centres and mobile phone stations, they ensure maximum availability with minimum energy consumption. Moreover, STULZ precision air-conditioning systems and chillers are employed in industrial production and medicine, too.

STULZ stands for trust in a strong community.
